There is no ladies program.

It is important for catering and hall seating arrangements that we have a reasonably accurate count of how many will be attending. Your early pre-registration is essential to the success of the meeting.

Cut-off date for “pre-registration” is March 28th. Your early registration would be appreciated. There will be no Lunch available if you do not pre-register. There is a restaurant, “The Niagara”, in the parking lot and the “Legion” across the street otherwise. Thank you.
